

PFAS DECLARATION

PER- AND POLYFLUOROALKYL SUBSTANCES

1. Scope

This declaration applies to corrugated paper and paperboard packaging products manufactured and supplied by Corruseal Corrugated Group, including food-contact packaging where applicable.

2. Declaration

Corruseal Corrugated Group declares that per- and polyfluoroalkyl substances (PFAS) are not intentionally added during the manufacture of Corruseal corrugated packaging products.

Corruseal maintains approved supplier programmes, raw material controls and change management processes intended to support compliance with applicable PFAS restrictions for food-contact packaging.

3. Applicable Requirement

Requirement	Limit / position
Individual targeted PFAS	Food-contact packaging shall not contain any individual targeted PFAS at or above 25 ppb, excluding polymeric PFAS, where targeted analysis is applicable.
Sum of targeted PFAS	Food-contact packaging shall not contain the sum of targeted PFAS at or above 250 ppb, excluding polymeric PFAS, where targeted analysis is applicable.
Total fluorine / PFAS screening	Food-contact packaging shall not contain PFAS at or above 50 ppm expressed as total fluorine where this screening criterion is applicable.
Intentional addition	PFAS are not intentionally added by Corruseal during manufacture.

4. Change Control

Corruseal will review this declaration where there are changes to raw materials, suppliers, converting inputs, legislation or customer-specific requirements that may impact PFAS compliance.

Validity and Authorisation

This declaration is valid for a period of two (2) years from the date of issue unless changes to legislation, raw materials, suppliers, manufacturing processes or product composition necessitate earlier review or revision.
