DOC - Declaration of Conformity

This declaration confirms compliance with regards to the following components used in the manufacturing of pressure sensitive labels supplied by Redfern Long Run Labels (Pty) Ltd

Face Stock:	Semi Gloss	PP White	PP Clear	Eltoro Board	Thermal Transfer
	Direct Thermal	PP Silver	Matt White	Dukuza Board	
Adhesives:	Hotmelt	Acrylic	Hitack	Deepfreeze	Washoff
	Removable	Resealable			
*Inks:	UV	Water Based	LED		
*Coatings:	Laminate	Varnish	Foil	Ribbon	

- PFAS are not intentionally added to the above components and if present the volumes complies with the limits mandated under EU PPWR 2025/40 Art 5. For food contact packaging.
- Substances of Concern (SoC) do not intentionally exceed 100mg/kg. EU PPWR 2025/40 Art 5.
- BPA free, No Bisphenol A or restricted derivatives have been intentionally added during manufacturing. As per PPWR regulation 2024/3190.
- *Inks & Coatings: Printing ink manufacturers are not the packaging manufacturer within the meaning of the PPWR. Therefore, they are not obliged to draw up PPWR Declaration of Conformity Documents (DoC's). According to recital (13): An item which is an integral part of a product and is necessary to contain, support or preserve that product throughout its lifetime and where all elements of that item are intended to be used, consumed or disposed of together should not be considered to be packaging given that its functionality is intrinsically linked to it being part of the product. Paints, inks, varnishes, lacquers and adhesives that have been applied directly on a product should not be considered to be packaging.
- Compliance has been concluded by technical documentation received from our suppliers as per Annex VII and records are kept in our Quality Management System (QMS).
- As the PPWR timeline introduces new requirements Redfern will update this document accordingly.

I, Lance Zeeman, confirm that I am authorized to make this declaration on behalf of Redfern Long Run Labels (Pty) Ltd

Lance Zeeman
