

Declaration of Compliance

Strapsun (PTY) LTD based at 27 Lauda Rd, Killarney Gardens, Cape Town is a Manufacturing facility of **Polyprop Strapping**

We manufacture specific grades of strapping for the fruit packing industry with various breaking strains depending on the users needs.

Our Strap is manufactured from Sasol's HKR102 PP grade which complies with the new EU Packaging and Packaging Waste Regulation (EU) 2025/40(**PPWR**) as listed below:

Identification

Grade Name: HKR102

Type of Polymer: Polypropylene homopolymer

We hereby declare that our **PP Strapping** complies with the following **PPWR** requirements:

- Art. 5 – Heavy metals(Pb, Cd, Hg, Cr (VI) $\leq$ 100mg/kg - Yes
- Art. 6 – Recyclable in established PP streams - Yes
- Art.13 – Labelling: material code “PP 5” + sorting instructions - Yes
- No PFAS or other substances of concern intentionally added - Yes

Producer Responsibility Obligations:

We are a registered member of Polyco PRO NPC's Extended Producer Responsibility (EPR) Scheme with EPR registration No:19/7/5/PRO/20210517/002 (certificate attached)

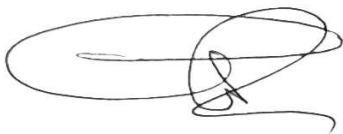

Spec sheets are provided for all the various grades of strap that we produce and are manufactured to strict tolerances as per specifications using in house tensile testing equipment and products are constantly inspected and tested by competent staff members.

COCs are issued with each invoice and batch no's are recorded with test results of all products that we produce.

Each roll of strap has its own unique no. with a label of production date, batch no., operator and product specs allowing for easy traceability of product.

For any further queries regarding the above, please feel free to contact me directly.

Kind Regards

A handwritten signature in black ink, consisting of a large, loopy 'G' followed by a stylized 'L' and 'S'.
